Colorado Division of Wildlife is hosting free workshops on wildlife and conservation value added opportunities for land-owners. Workshops will be on a host family ranch and will include a tour of the ranch showcasing conservation programs applied to the property. Continental breakfast and lunch will be provided.

May 2 - Swedlund Ranch, North Sterling
May 26 - Reeder Creek Ranch, Hot Sulphur Springs

June 18 - Wallace Ranch, Bent/Baca County
June TBA - Zech Ranch, Delta

Contact Ken Morgan, Private Lands Coordinator Colorado Division of Wildlife at ken.morgan@state.co.us, 303-291-7404

Native Plant Master Courses

Distinguishing native plants from noxious weeds is just one of the skills that participants learn in the award-winning Native Plant Master™ Program, sponsored by Colorado State University Extension. Participants also learn about native wildflowers, shrubs and trees. For more information, visit <http://conativeplantmaster.org> or contact your local Colorado State University Extension office.

Small Landowner Workshop

May 16, from 9-12 at the CSU Extension Hall in Kremmling. Topics include soil, water, plants and weeds, livestock management, living with wildlife and home energy efficiency. Contact Bonnie Koblitz, Middle Park Conservation District, 970-724-3456, bonnie.koblitz@co.nacdn.net

A Walk in the Park

Saturday, June 6, from 9-11. A guided tour of Frank State Wildlife Area to see noxious weeds and native plants first hand. Contact Tina Booton at 970-304-6496 ext. 3770.
