

Contract

For Catch-A-Lamb Program

I must complete my Catch-A-Lamb project including turning in my completed Lamb Record Book in order to collect the money from the sale of my catch-it animal. I agree to feed and care for the lamb with utmost care and diligence and follow the suggestions of the Extension Agent, 4-H Lamb Committee and local 4-H leader, in feeding and showing this lamb.

I will also contact a veterinarian and have the animal examined in the case my lamb becomes sick. If the lamb should die because of neglect than you are liable for the cost of the lamb to the El Paso County catch a lamb Committee. The committee realizes that livestock will die from a natural cause such as lightening or from bacterial or viral infections.

I will write the sponsor(s) one (1) letter per month while the lamb is in my possession, telling them about the progress of the lamb and other 4-H related activities. A copy of this letter must be sent to the Cooperative Extension Office. I shall inform my sponsor(s) where I live and invite the sponsor(s) out to see the catch-a-lamb. I also agree that I will be ready to care for this lamb in April when I take possession of the project.

The Catch a lamb Committee reserves the right to inspect the lamb and my facilities, unannounced at any time, at the discretion of the Lamb committee.

I agree to follow the instructions of the Catch a lamb Committee in feeding and showing the lamb. I also understand that the 4-H lamb Committee will hold the bill of sale until the end of the program. If I do not live up to this contract, after ample warning, I will submit to having the lamb removed from my possession by the Lamb Committee. I understand that if the lamb is removed, I shall not receive any compensation for the expenses incurred and that the cost entailed in the Catch-a-lamb project are the responsibility of the applicant.

I understand the Lamb Committee reserves the right to issue a waiver to the above rules if there is a valid reason that the committee deems is adequate.

All participants enter the catch-a-lamb contest at their own risk. I recognize that there are certain inherent dangers and hereby indemnify and agree to hold harmless the El Paso County 4-H Catch a lamb Committee and the El Paso County Fair Board against all claims or demands of any nature, that may grow out of any injury or loss to person or property.
