Thanks again to everyone for your support and friendship through the years - I'll miss you! *Gay-Leigh Camp*

Club Reports

Kit Carson 4-H

By: Kayla Summers

This past month we had a clinic instead of our regular meeting to really have a chance to connect with our horses. A special thanks to Mr. Larry Murphy who was so generous to put on a despooning clinic that was absolutely wonderful. I know that our whole club was ecstatic to be able to show at the El Paso County Fair. During June, we had a clinic in lieu of our monthly meeting. Thank you Krista Fager, Ginger Fager, and Ron Strader for the very well put together clinic. We had a great time with western horsemanship, trail, and gymkhana techniques.

4-H Wildcats

By: Thomas Price

What a great July! The Wildcats helped paint the barns at the fairgrounds and helped with the petting zoo for community service this month. Then everyone got ready for county fair. Our 24 members submitted 30 items to tabletop, including secretary, historian, and treasurers books and were involved in the dog, rabbit, llama and guinea pig project. Several competed in the small animal round robin. Everyone did a great job and made the club shine. We will have Wildcats competing in tabletop, rocketry fly day, demonstrations, creative cooks, and instrumental at the state fair. GO Wildcats.

Falcon Ranchers

By: Bethany George

Falcon Ranchers 4-H Club did a very good job at County Fair. Several members did well at the Rabbit, Sheep, Horse and Poultry shows. Some members that did well at the dog show will be showing at the state fair. Good job for a job well done!!!! We would like to congratulate our members who earned ribbons for their tabletops and shooting sports projects. All of your hard work paid off! Currently, our club will be having our end of year party at Fox Run Park, and at Art Sports, on September 12. We are all excited for another fun 4-H club with all of our fabulous members!!!

Pals of the Pines

By: Monica West

Pals of the Pines had a great 4-H year and can't wait till next year. First, we have done many fundraisers to help out our club. We did a mix of bake sales and sold a quilt for our club money. We did many different community service activities. From bringing holiday cheer to a nursing home, to sending cards over seas to our soldiers, to painting a barn. Finally, we finished the year with a bang at fair where many of our kids did great. We had kids in round robin and had a potluck to finish of this year's official meetings.

Living with Livestock

Animal Record Books

Animal Record books are due to the extension office graded from the club/project leaders on September 14th. Your clubs/project leaders will require you to hand the books into them at an earlier date so that they have time to grade them, before handing them in to the office. I would like clubs to hand their books in together so please do not bring your book into the extension office and drop it off it will only be accepted from your club or project leader. Un-graded books will also not be accepted. Leaders please grade all books as having the feedback to your members assists in the learning process.

With the new online record books I have been receiving some questions regarding how many books need to be filled out. The policy has NOT changed and is the same as the last several years. ONLY put one market project per book and put the breeding project in a separate book per species. For example you can put both your market lambs in one book, put your market hogs in a separate book and put your breeding sheep in their own book. Do not put both (breeding and market) in the same book because it causes difficulty when grading. Remember for some projects a supplement is required and is also available on the web site. Also you may find it helpful to also download the e-Record Users Guide also available at the same site and location as the record books are. It will have helpful information you can use to assist you in filling the books out.

Leaders when you get questions please refer to the Organizational Leaders Handbook and review the Animal Record Book Policy. Score sheets are posted on our county web site for e-record books.

A Letter of Thanks

A really great day is a day when you get the opportunity to learn something new. This year's fair was filled with each and every day being a really great day!

I would like to thank each and every one of you for the great job you did with your cattle projects. I thank you for keeping your stalls and barn areas neat and clean. The work you did with your own cattle was evident in how well your steers responded to you. Each of you maintained control and wore your best smiles in the show ring. I thank your parents and guardians for a year and lifetime full of guidance and instruction. I thank your parents for allowing you to be in the 4-H program. I thank your parents for sharing you with our community. But most of all, I thank your parents for letting you go so that you can shine on your own.

Our county has many good qualities, good facilities, great volunteers and exceptional exhibitors. There are many things that we do right. My list of good thing done right at fair far exceeds my list of items that need improvement or that could benefit from change. It is my goal to learn from my mistakes and take your suggestions to improve on next year's experience. Remember to look for balance and structural correctness in your 2010 prospect animals. I look forward to working with you and seeing you again throughout the coming year. With greatest respect and admiration for a job well done!

Shanon Blankenship, Beef Superintendent
