

Are You Frustrated by Your Lawn?

Colorado State University Extension Lawncheck Can Help

Lawncheck is an on-site evaluation of your lawn and its trouble spots by a professional Colorado State University Extension Horticultural Diagnostician. Weed, water, fertilizer, and disease questions can all be addressed. Have a conversation with the expert about the best management techniques to grow a fantastic lawn.

This service costs \$75.00 per hour plus mileage but the knowledge you gain can save you money.

Appointments are limited and you must be present during the on-site visit, call today! 303-271-6620
