

2009 San Miguel County

Noxious Weed Control Cost Share Application

Please Return to: Box 130 Norwood, CO 81423 or to the Weed Program Office at 1120 Summit St., Norwood (Lone Cone Building). Incomplete applications will not be processed. In order to be eligible for cost share all Applications must be returned by November 1, 2009. Funds are limited for this program. Program terminates when available funds are expended. For assistance please contact the Weed Manager at 970 327-0399 or at sheilag@sanmiguelcounty.org .

Landowner Name(s): Mailing Address:
Phone Property Location (general area)

Weeds eligible for cost share are listed on the explanation page of this application. Other new invaders not listed may be eligible for cost share. You may have just one of the listed weeds or you may have several- please take care to list all targeted species. If more than three list the additional problems on the back of this form. Native plant species are not eligible for cost share. Additional funding may be available for some locations and some plants- contact weed manager for information. Additional cost share funding may be available through NRCS. If using a commercial applicator most of the information required below should be available on the invoice you will receive.
