Denver, Colorado, January 2010

Application for entry in 4-H Catch-A-Calf Contest. Please read completely before signing!

I hereby make application to enter the 4-H Catch-A-Calf Contest. (Please Note: Any application received without complete, readable, and accurate information may be disqualified.)

I understand that if I win I must take delivery of the calf in May 2010 at the National Western Livestock Center.

Once each month (May through December) each member who catches a calf will be required to write a letter to the sponsor of their calf and send a **copy** of this letter to Molly Keil, National Western Stock Show Catch A Calf Co-Superintendent, 18827 Hwy 220, Casper, WY 82604, mkkeil@hotmail.com. **Letters must be postmarked or emailed by the last day of the month. Failure to write the monthly letter may result in forfeiture of the calf.**

A complete record must be kept. Each member must complete a National Western Catch A Calf Record Book, including a story, pictures and activities list for the entire project.

Catch-A-Calves will be exhibited in the special classes provided. Awards will be based upon the beef production job done by the exhibitor, the evaluation of the animal, showmanship, and sponsor relations.

Upon completion of the project, each member is to send a thank you letter to the sponsor of their calf and send a copy of this letter to the National Western Stock Show.

< My birth date is ____ / ____ / _____. My age on December 31, 2009 will be _____

< If I should catch a calf, I will be responsible for feeding, handling, and caring for the calf next year.

< Calves must be picked up by the 4-H Catch-A-Calf winners at the National Western Livestock Center in May, 2010, and started immediately as a 4-H project for exhibit at the January, 2011 National Western Stock Show.

< The Western Stock Show Association reserves the right to take the calf away from any member who does not abide by these rules or does not properly feed the calf. If any calf is taken away, no allowances will be made for any expenses incurred.

< The calf must be exhibited and sold at the 2011 National Western Stock Show, where special prizes will be offered. All prize money won will belong to the member. When the calf is sold, the check for payment will be sent after a final thank-you letter is sent to the sponsor with a copy to the National Western Stock Show. Also, these calves will automatically be entered in the Fed Beef Contest at the National Western Stock Show.

< Sale price may be determined for all competing calves by official market grade and yield index or a price arranged by the National Western Stock Show. Catch-A-Calves are not eligible to show in the Junior Market Beef Show.
