COLORADO STATE UNIVERSITY
EXTENSION

Extension programs are available to all
without discrimination.

What Is The Cloverbud Program?

Tri River Area 4-H has a special program for 5, 6 and 7 year-old children called Cloverbuds. This non-competitive program is designed to help younger children develop self esteem, make new friends, and explore the world with other children in their age group.

Cloverbuds learn with the help of adult leaders, teen leaders, and parents.

Special things Cloverbuds do:

- Have fun learning about gardening, pets, cooking, and many other subjects through fun learning activities.
- Learn to work and share with others.
- Discover their talents and interests.
- Attend club and county activities.
- Do community service projects that teach community pride.
- Attend a special summer day camp.

Cloverbud Fun Paks & Cloverbud Kits

CLOVERBUD FUN PAKS

Tri River Area 4-H provides Cloverbuds, leaders, and parents with fun learning activities on a monthly basis. These theme based activity packets are mailed directly to Cloverbud members and leaders at the end of every month. The packets are a great way for children and adults to be creative and learn at the same time!

CLOVERBUD KITS

The Cloverbud Kits feature activities based upon different children's books. These kits teach children about sharing, reading, crafts, and group interaction. From the Grouchy Ladybug with its wonderful puppet to The Flag We Love with its patriotic theme, there is something for everyone to enjoy.

WHAT DOES THE CLOVERBUD PROGRAM COST?

Enrollment fee for the Tri River Area 4-H Cloverbud Program is \$20.00. Members must be between the ages of 5 and 7 by January 1st of the current year in order to enroll.

There is no fee to become a 4-H Cloverbud Leader! The 4-H Program relies on a wonderful group of volunteers to help our members become the leaders of

tomorrow. For more information, call your local Extension Office!
